

2013 **CADE** ESTATE  
CABERNET SAUVIGNON  
HOWELL MOUNTAIN

**94**  
POINTS

Gloriously pure notes of mulberry, graphite, blackberry and blueberry soar from the glass and cascade over the palate. It finishes impressively, and the wine is capable of lasting 15-20 years, although it's certainly accessible now.

POINTS  
vinous

Deep, plush and inviting, with a rush of fruit that takes hold of all the senses. Voluptuous and super-expressive. Mocha, plum and blueberry jam are some of the notes that grace the supple, open-knit finish.

POINTS  
Wine Spectator

Though firm and dense, this is charming and agreeable already, with dried dark berry, sage and cedary oak flavors folding together. Appealing suppleness. Drink now through 2028.
