

2021 Chardonnay, CA

- 100% certified organic Chardonnay grapes from cool, coastal growing regions: Napa Carneros, Sonoma Carneros, Monterey, and Santa Barbara
- Cold barrel fermentation with extended yeast contact
- No malolactic fermentation
- Barrel aged in American Oak barrels

This wine exudes tropical aromas of juicy pineapple, kiwi, and mandarin orange. Fresh lemon zest mingles with subtle hints of vanilla, guava, and orange blossom. The palate is round, full bodied and boasts a wonderful core of bright fruit that is balanced beautifully by the subtle oak and ample natural acidity. Enjoy!
